How to find us

Address: Peter Chalk Centre, Streatham Campus, University of Exeter, Stocker Rd, Exeter, EX4 4QD.

Click here for more information on getting to the conference.

Coming by train, bus, and driving

Rail - Exeter has two railway stations - Exeter St David's (main station) and Exeter Central. Both statations are approximately 15 minutes walk from the Streatham Campus and taxis are available at the station.

Bus - The Streatham Campus is served by the D route. The D bus route includes Digby, St Luke's Campus, the City Centre and Streatham Campus. Find the [timetable online.](#)

By car - Leave the M5 at Junction 29, signed Exeter Airport.
• At the traffic lights at the end of the motorway off slip road, turn right onto the B3015, signed City Centre, and at the first roundabout turn right, signed Exeter Business Park.
• Go straight over at the next two roundabouts, signed Pinhoe, and join the Monkerton Link Road. At the traffic lights bear left onto the B3212, signed City Centre. Take the right-hand lane and at the second set of traffic lights turn right, signed University.
• Pass under the railway bridge (Polsloe Bridge), drive up the hill and at the fourth set of traffic lights turn right onto Mount Pleasant Road, signed University. (Henry's Bar is on the corner of this junction). • At the first roundabout take the second exit onto Union Road. Go straight over at the first set of traffic lights onto Prince of Wales Road. • Continue along Prince of Wales Road for approximately 700 metres and the University's Streatham Drive entrance is on your right.

Parking - Pay and display car parking is available on the Streatham Campus with limited spaces and accessible bays close to Peter Chalk Centre. If you need any assistance on the day, please contact the organisers ahead of time (conference@weareintodigitalhealth.com)

Thank you for participating in our very first digital health conference in Exeter. The conference organising core team are Dr Rupa Chilvers, Dr Natalia Lawrence, Rob Glover, Kris Sums and Eleanor Shaw.

weareintodigitalhealth.com has formed through a collaborative group of digital health enthusiasts, researchers, clinicians and technology providers in the South West of England coming together to share skills and learn from each other.
